Star Fish

Author: Ryan Fitzgerald

Goal

The goal of the game is to collect all the fish

Description

Gather all the fish and view them in your aquarium. Some fish are rarer than others. Some fish will visit your aquarium

Gameplay Loop

When you fish you have to click 3 fish at the right time. Getting them all gives you a better chance at a higher rarity fish. Collecting a fish adds it to the aquarium. Some fish will visit your aquarium without catching them first

Mechanics/Controls
